EXPERIENCE

IN-NOVA (NOVA FCT Junior Consulting) — **Lisbon, Portugal**
Projects Member, Robotics — 2026 – Present

- Contribute to client and internal projects involving electronics and microcontroller programming.

NTT DATA — **Portugal**
Student Ambassador — 2025 – 2026

- Act as the link between NTT DATA and NOVA FCT students, promoting the company's initiatives and career opportunities on campus.

EDUCATION

NOVA School of Science and Technology (NOVA FCT) — **Lisbon, Portugal**
B.Sc. in Computer Science and Engineering — 2023 – Expected 2027

- Transferred from Electrical and Computer Engineering (3 semesters, 2023–2025) to focus on software and security.
- Self-study in offensive security on TryHackMe (Premium); preparing for the PT1 (Junior Penetration Tester) certification.

SKILLS

Programming	Java, C, Python, OCaml, Assembly, SQL, JavaScript, HTML/CSS
Security & Tools	Linux, Bash, networking (TCP/IP, DNS, HTTP), Wireshark/tshark, Git, Docker
Learning	Web exploitation (OWASP Top 10, Burp Suite), privilege escalation, Active Directory
Languages	Portuguese, Ukrainian (fluent) · English (advanced)

PROJECTS

quantumtrace — **JunctionX Lisbon Hackathon**
Python, tree-sitter, tshark, Streamlit, Docker

- Built a non-intrusive post-quantum readiness scanner that detects quantum-vulnerable cryptography in network captures, source code, certificates and configuration files.
- Scores quantum risk per finding, generates a prioritised migration roadmap and exports a CycloneDX Cryptographic Bill of Materials (CBOM) mapped to NIST FIPS 203/204/205.

vserhiychyk.com — **Personal portfolio**
HTML, CSS, JavaScript, GitHub Pages

- Built from scratch with no frameworks; served on a custom domain over HTTPS, with the domain verified against subdomain takeover.
- Landing page styled as an nmap scan report, with an interactive in-browser shell.

LEADERSHIP & ACTIVITIES

NOVA FCT Computer Science Society — **Lisbon, Portugal**
Vice-President and Partnerships Coordinator — 2026 – Present

- Co-lead the society's decisions and events; designed its internal structure and workflow; coordinate company partnerships.

University CTF Team — **NOVA FCT**
Member — 2025 – Present

- Compete in Capture The Flag competitions, mentored by a Computer Science faculty member specialised in cybersecurity.

Interests: Basketball (11 years at federated level, now on the university team), cybersecurity news, CTFs.
